## ROAD ROLLER

You will need:  
4 Match boxes  
2 Cotton Reels  
Thin Cardboard  
1 Cork  
Thin Dowell or straw  
Gluw  
Poster Paints

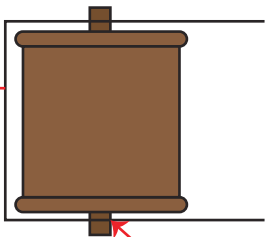

Start by taking the bottoms out of two match box trays, then glue these into the sleeve as shown  
Now make a second without removing the bases

Glue the two sections like this

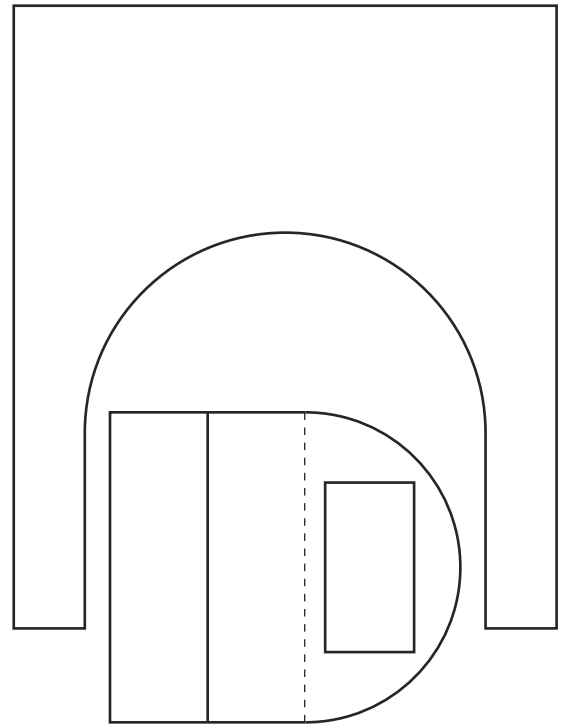

Using dowels, attach cotton reels as wheels at both ends

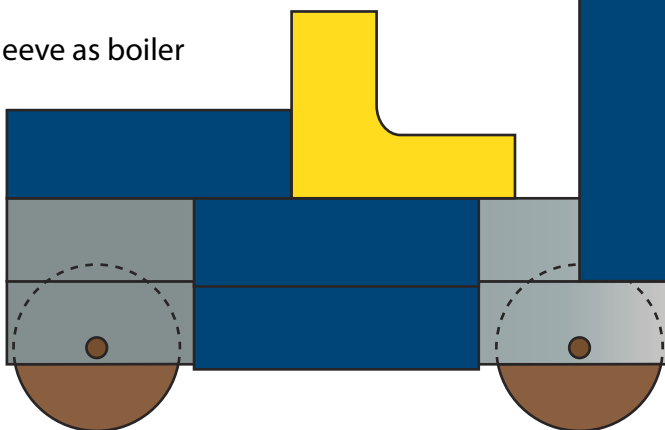

Glue Here

Cut a piecew of card in this shape  
and a second like this

Glue this here

Use extra sleeve as boiler

Cut one match  
box sleeve like this
